

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN EXAMINATION BY THE PUBLIC SERVICE	)	
COMMISSION OF THE ENVIRONMENTAL	)	CASE NO.
SURCHARGE MECHANISM OF KENTUCKY	)	2014-00322
POWER COMPANY FOR THE SIX-MONTH	)	
BILLING PERIOD ENDING JUNE 30, 2014	)	

ORDER

On September 26, 2014, the Commission issued an Order initiating a six-month review of Kentucky Power Company's ("Kentucky Power") environmental surcharge. To facilitate the review, a procedural schedule was set forth as Appendix A to the September 26, 2014 Order. The first step of the procedural schedule requires Kentucky Power to submit responses to the questions listed in Appendix B to the September 26, 2014 Order no later than October 10, 2014.

On September 29, 2014, Kentucky Power moved to amend the procedural schedule by delaying all dates for seven days. In support, Kentucky Power states that the employee primarily responsible for gathering and preparing the information needed to respond to the requests for information in Appendix B to the September 26, 2014 Order will be out of the office from October 4, 2014, through October 12, 2014. It states that due to other filing requirements, the responses cannot be prepared prior to the employee's departure. Kentucky Power asserts that because there are no intervenors in this action and because its environmental surcharge factor continues to remain 0.00 percent there will be no harm in permitting a seven-day extension.

The Commission finds that Kentucky Power has demonstrated good cause to extend the procedural schedule in this matter by seven days.

The Commission therefore ORDERS that:

1. Kentucky Power's motion to extend the procedural schedule by seven days is granted.
2. The procedural schedule set forth as Appendix A to the Commission's September 26, 2014 Order is hereby amended by the procedural schedule attached as an Appendix to this Order.
3. All other provisions of the Commission's September 26, 2014 Order not in conflict with this Order shall remain in full force and effect.
